

The RODE

Newsletter of the Lake Hefner Boat Owners Association

March has given us Wind.....

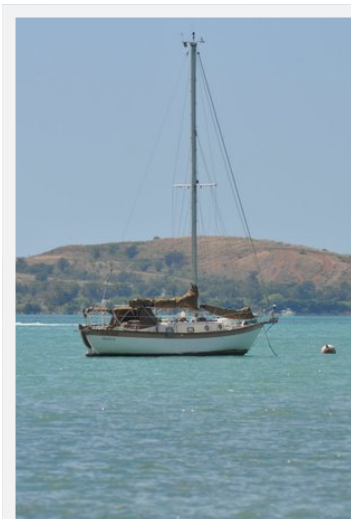

Lots of wind – and trash is everywhere. This leads to our next annual lake event, Lake Hefner Spring Clean. Please mark your calendar for Saturday, April 13. I recommend bringing gloves, sunscreen and a hat. We will supply the trash bags. We'll start about 9:30 at the picnic tables in front of the Courtesy Dock, divide, conquer and then return for lunch at Noon. Lunch is another covered dish affair and variety makes the meal more interesting. The gas grill will be available for vegetarian and carnivore items.

The City of Oklahoma City has been working to remove the invasive red cedars from the Hobie Point area. It is hoped their removal will increase visibility and discourage some of the criminal activity. I have been told a lot of trash was exposed and multiple bags of trash already removed.

The lake's inflow has been halted and the water level is already beginning to slide back down. If you can sail, now is your chance!

The Lake Hefner Boat Owners Association general meeting will be this Thursday, March 28th at 7:00 p.m. in Keel Hall just inside Gate 4. We always talk about sailing and current events. Please join us.

Pray for rain,
Kenna
